

CELTICS DEFEAT KINGSPORT TEAM 47 TO 39

KINGSPORT BASKETEERS STAGE BRILLIANT GAME DESPITE ODDS

Sport Fans See One of the Finest Basketball Combinations in the World

Flashing a brilliant passing and scoring combination, the like of which has never been witnessed in this section, the Original New York Celtics last night opened their Southern invasion with a triumphant 47-39 decision over the Kingsport Drug quintet.

In proving their superiority over the odds the Celtics looked the part of the champions they are and according to critics gave a performance that has outshone any in previous years, stamping them for the most successful season since the team was organized.

Not in danger of the game were the Celtics in danger. They scored practically at will and held the local outfit at bay throughout most of the game.

There were no individual stars with the team. Each man filled his position to perfection and only during the waning minutes of the game after they had piled up a substantial lead, did they relax.

So complicated was their superb passing attack, that even spectators were unable to follow the ball as they sought to place a man in position to make a shot from under the basket.

Flying Start
Cutting of to a flying start the Celtics piled up 15 points in the opening quarter against three for the locals. Their uncanny guarding staved off every threat made from under the basket by the locals. The three points came by way of a shot from the foul line by Grills and a free throw by L. Bellamy.

Kingsport Drug fared somewhat better in the second period as the half ended 25-15, allowing the threat of more than 1500 fans a breathing spell after sitting spellbound by their smashing and deceptive passing attack.

Passing Game
The entire Celtics huddled the ball in any and every possible manner. Their rifle like passes shot through space so fast it was almost impossible to tell in which direction it was headed.

Barry, Hickey and Banks gave a beautiful exhibition of floor work and the art of basketball which professional play during the past several years has taught them.

Cifers and P. Bellamy led the Kingsport Drug attack by piling up most of their team's points. Cifers brilliant shooting resulted in 13 points. He was the shining light in the team's defeat, slipping under the basket to take the ball off the backboard time after time.

Superb Game
Grills also played a superb game and fought desperately for a losing cause until the final whistle. His guarding prevented many Celtics chances when he broke through the offense to snag one of the fast heaves from the arms of a walling champion.

DOUGLASS TIGERS TAKE FIRST GAME

Starts Off Basketball Season With Victory Over Rivals On Local Floor

The Douglass high school Tigers today had begun the 1934-35 basketball season by trampling an all-star aggregation of former high school luminaries, 31-15 on the Douglass floor Friday night.

Gaining confidence as a result of their practice victory the Tigers today were set for the encounter with Slater high of Bristol, Tenn., here tomorrow night. The Bristolians come here with one of the best teams in recent years and will be out to get revenge for a defeat handed them by the local school on the football field the past season.

The second game of the week will find Douglass journeying to Greeneville where they meet the Greeneville college Friday night.

Coach German has been drilling his boys for the past three weeks in an effort to develop a strong passing combination on which the team will base its hopes this season, due to the lightheadness of the team.

The adult moth measures about one inch or one and one-half inches across the white wings.

MAGIC-CITY MOST BEAUTIFUL STATE HAS, TERRY SAYS

Baseball Manager Depicts Kingsport As Most Beautiful in Tenn.; Team Will Play Here April 9th

Kingsport is the "most beautiful town in Tennessee."

At least this was the description attributed by Manager Bill Terry to the upper East Tennessee city in making known the itinerary of the New York Giants during the past week for the annual spring tour.

Mr. Terry's high tribute was made following request by officials of the club as to particulars about Kingsport. He arrived at this conclusion upon his trip here last year in his capacity with the Standard Oil Company. At that time his business affiliations carried him through practically every city in the state and this remark was made after he had viewed them all.

Such an impression did the remark make that it found its way into the columns of the New York Times. In speaking of the new fields into which the team will journey, The Times had this to say:

"Two of the cities are located in Mississippi, McComb and Greenwood, the latter the home of Hughie Critz, and the other two are Gastonia, N. C. and Kingsport, Tenn., the latter recently described by Manager Terry as 'the most beautiful town in Tennessee.'"

The Indians are given a slight edge over Elizabethton in the betting, but are bearing in mind the surprising defeat handed them in football the past season. The visitors, slated to fall before the mighty Maroon eleven upon the dope and marched to a triumphant 7-6 victory.

Tuesday will see the Indians in their opening engagement in conference competition when Coach Brown brings his gallant horde of Elizabethton stars here. The game will be played on Dobyns-Bennett floor.

CHICAGO, Jan. 5.—(AP)—Former President Herbert Hoover arrived on a California train today for a three or four day stay. His visit, he said, was for "purely personal business."

Met by Arch W. Shaw of suburban Winnetka, long a close friend, M.Mr. Hoover drove off to a hotel with his secretary, Paul Sexton.

Questions about President Roosevelt's message yesterday and about business conditions met Mr. Hoover's usual answer—"no comment to make on public matters."

BRISTOL GROUP SEEKS JACKSON FOR KING C.

BIG LEAGUE GAME ASSURED HERE AS ITINERARY NAMED

Information Received Here Assures Game; Itinerary of Team Mailed Out; Will Be Played April 9th

That the New York Giants and the Cleveland Indians will play in Kingsport April 9 became assured yesterday upon receipt of official announcement of the itinerary of the two teams.

Memphis Bill Terry notified Kingsport leaders several days ago that Kingsport would be included in the list of cities where his team and the Indians, managed by Walter Johnson, would give an exhibition.

The official list released during the past week by Terry shows Kingsport has been selected as one of the cities where 37 games will be played in the course of the spring training. It also shows that the city is one of only three in the state where the Giants and Indians will perform. The other two cities are Memphis and Nashville.

Four new towns have been added to the Kingsport roster this year. They are Gastonia, N. C., Kingsport, and McComb and Greenwood, Miss. All other cities have been played in before.

The Giants' opponents in all four of these stops will be the Cleveland Indians, who for the second successive Spring will be the Terry-men's traveling companions northward. A total of fifteen games has been arranged with the Indians, the series concluding with two engagements at the Polo Grounds, on April 13 and 14.

In all, thirty-seven games have been listed for the Giants, indicating that Terry is not in accord with some of his critics who contended that the collapse of the Giants last September was due in part to the arduous training trip that had been set for them last Spring.

Terry, in fact, scouts the notion with another innovation. For though the first squad of Giants again will report at Miami Beach on Feb. 24 with the second following on March 1, the team will evacuate that resort practically a week earlier than last year. However, to offset this, Terry has arranged his schedule so that there will be no interruption in the way of games out of town during the stay at the Fleming headquarters from the time the players report until they break camp on April 17 to spend nearly a month on the road prior to opening the championship season on April 16.

Will Play in Florida
The series with the Indians also will differ slightly from last year's. Instead of the Giants going directly to the Clevelanders' training base at New Orleans, they will be joined by Walter Johnson's men in Tallahassee, Fla., for a game there, as well as encounters in Pensacola and Mobile before appearing for two engagements in the Crescent City.

Major league teams again will furnish most of the Giants' opposition, for in addition to the long string with the Indians, six games have been booked with the Athletics, four with the world's champion Cardinals, four with the Browns, three with the Red Sox and one with the Reds.

Two games with the Chicago White Sox and one game in Nashville comprise the only minor league engagements scheduled, and following the final game of the Indian series in New York, the Giants will make their annual visit to West Point to meet the Army.

The schedule:
March 8, 9 and 10, Athletics, at Miami Beach; 13 and 14, Red Sox, at Miami Beach; 15, 16 and 17, Cardinals, at Miami Beach; 18, 19, Browns at Palm Beach; 20, Red Sox, at Sarasota; 21, Cardinals at Bradenton; 22, Reds, at Tampa; 23 and 24, Athletics, at St. Augustine; 25, Athletics, at Jacksonville; 26, Indians, at Tallahassee; 27, Indians, at Pensacola; 28, Indians, at Mobile; 30 and 31, Indians at New Orleans.

April 1, Indians, at McComb, Miss.; 2, Indians at Hattiesburg, Miss.; 3, Indians, at Jackson; 4, Indians, at Greenwood, Miss.; 6, 7, Memphis, at Memphis; 8, Nashville, at Nashville; 9, Indians, at Kingsport, Tenn.; 10, Indians, at Gastonia, N. C.; 11, Indians, at Asheville; 12, Indians, at Richmond; 13 and 14, Indians, at Polo Grounds; 15, West Point at West Point.

CHICAGO, Jan. 5.—(AP)—Max Baer, who believes fight fans should be given frequent opportunities to watch the heavyweight champion of the world, has agreed to terms for a 10-round, no-decision bout in the Chicago stadium sometime in March.

The champion's opponent probably will be selected from among Steve Hamas, Max Schmeling, former titleholder, Art Lasky and Primo Carnera, from whom he won the crown last June. Matchmakers Nate Lewis and James Mullen left for New York today to attempt to sign one of the above candidates.

The match, tentatively scheduled for March 8, probably will be governed by the same conditions as Baer's four-round "exhibition" with King Levinsky. The referee will not make a decision, but a poll of sportswriters will be taken to provide expert opinion, in case the bout goes the limit.

Alumni and Business Men Seek To Install Jackson As Coach At King College

BRISTOL, Tenn., Jan. 5.—A move to eliminate Coach W. A. "Bill" Richardson as head coach of King College and name Coach W. S. "Freddie" Jackson of Emory and Henry College as his successor became known today.

It was learned from a reliable source a group of King College alumni and Bristol men had joined hands in an effort to have Jackson named to fill Richardson's shoes next season. Further, that this group has dug into its pocket and put up sufficient money to guarantee his contract with the school.

No Comment
Negotiations for the change-over have been under way for some time. Although Coach Jackson declined to comment on the move tonight it was apparent from the progress made by the group, that the offer to coach at King College would not be altogether distasteful to him.

On the other hand, Coach Richardson, a former commander in the U. S. Navy, and head coach of King College for the past four years, too, declined to comment.
